TOUCHSYSTEMS

V5580I-U2 / V5580I-U2x2

55" Multi-Touch Display

This 55" large-format display is one of TouchSystems' more budget-conscious displays, with a price tag that is perfect for the person entering the touch technology arena. The display is LCD and LED-backlit, ensuring crisp images and brilliant colors. The LED backlighting reduces energy consumption and results in a slimmer depth. The display is integrated with infra red, a technology that allows for pinch to zoom and gestures, and is Windows 8 ready. It also is offered as a dual-touch (V5580I-U2x2) solution.

AT A GLANCE

- Commercial grade design
- LED backlit
- Landscape or portrait orientation
- Built-in speakers
- Entry-level touch solution

APPLICATIONS

- Retail
- Hospitality
- Medical
- Restaurants
